Updates

Timing and Scoring

Used Moto Tally for the first time at Junction Jam. Success!
We are still struggling with car identification. Need a third person watching over it.

Registration

Most of the driver's preregistered
Pre-run - Money \$20 per vehicle to go to a volunteer fund for possibly gas cards, snacks etc.
We had a Fun Run Pre run and we raised over \$600 for our volunteers – *Great idea*

Coordinate with SIMCO

Pay out and trophies discussion.

Traditionally it has gone like this

3 cars in class	1st place trophy	All of the money (This didn't really work)
4 cars in class	1st & 2nd trophy	Payout 1st, 2nd
5 or more cars	1st, 2nd, 3rd trophy	Top three pay out

This is tradition but not saying it has to be this way. Most of us don't want a 3rd place trophy in a 3 car class

Kyle had a break down – 3 big trophies
Need better trophies

Other Business

Review Newsletter – Email list
Need to pay for email service
Formalize the BOR board
Terms and length of service
Get list of positions and what is required
Newsletter monthly
Make it so you can sign-up for it
Teisha, Jaide and Ben will work on this
Rangely – Instead of racing Vernal as the first race. More Colorado racers?

Printing supplier for signs, flyers, awards – Need a printer in the organization
Print plaques, handouts etc.
